## Evelyn Mid-Ocean World Investment Fund

The Evelyn Mid-Ocean World Investment Fund is a US dollar denominated actively managed collective investment fund, designed to give investors direct access to the best international ideas generated by the Evelyn Partners investment process in a simple and tax efficient structure.

Drawing on the expertise of our extensive internal research resource and overseen by a dedicated team of the firm's most senior investment professionals.

## Investment objectives of the fund

The investment objective of the Fund is to seek to achieve capital appreciation. The Fund is an actively managed fund and will primarily hold global equities and equity related securities. To a lesser extent the fund may invest in debt securities such as bonds, collective investment schemes including exchange traded funds, investment trusts and money market instruments.

## Cumulative performance (%)

Cumulative performance can be useful as an indication as to what an investment has or would have achieved for you in real terms over a period and represents the funds overall long-term performance. The performance data is sourced from Morningstar and covers the period 26 October 2016 to 31 May 2024. It is the total return (return inclusive of interest, capital gains, dividends, and distributions), it does not include the impact of tax but does include the impact of the OCF.

**Past performance is not a guide to future performance. The value of an investment can go down as well as up and you may get back less than the amount invested.**

## Important Information

**Please remember the value of an investment and income derived from it can go down as well as up and you may get back less than the amount invested. Past performance or any yields quoted should never be considered reliable indicators of future returns.**

You may face a financial loss should the Fund or the depositary default on their obligations. There is no compensation or guarantee scheme in place which may offset all or any such loss. You are required to read the Key Investor Information Document (KIID) before making an investment. The KIID, prospectus and supplements for all funds are available free of charge at [www.evelyn.com/services/funds/](http://www.evelyn.com/services/funds/) or by calling 020 3131 6197. All data is as at 31 May 2024 and rounded to nearest 0.1. In difficult market conditions, the Fund may not be able to buy and sell investments at the best time or at a fair price. This could affect the Fund's performance, potentially reducing your returns. Furthermore, if a significant proportion of the Fund's investments suspend trading or defer trades placed the Fund may in turn be suspended or defer payments to investors.

The Evelyn Mid-Ocean World Investment Fund is a sub-fund of the Evelyn Partners UCITS ICAV, an open-ended Irish collective asset management vehicle which is constituted as an umbrella fund with segregated liability between Funds and with variable capital and authorised under the European Communities (Undertaking for Collective Investment in Transferable Securities) Regulations, 2011 (as amended). The Evelyn Partners UCITS ICAV is administered by Citibank Europe plc.
